

Rotary Dinner Club 2018

This year's Dinner Club groupings are set out below. As usual, the year is divided into three periods. You should find that the people you dine with have not been paired with you for 2 full years.

The usual guidelines apply:

- The host has the responsibility for arranging a suitable date with his guests.
- The guests have the responsibility for encouraging the host to schedule a suitable date.
- The host to provide pre and after dinner drinks, main course and wine.
- The first guest to supply a starter and a suitable wine.
- The second guest to supply the pudding and/or cheese board and a suitable wine.
- When there is a third guest he should supply the cheese and port

Please make the effort to schedule the parties – if you do not the whole system falls into disarray.
